To all DFL leaders:

Our 2018 DFL State Convention has just ended, with a strong slate of endorsed candidates up and down the ballot. At this time, I believe it is important to remind everyone of our DFL Constitution: “Personal endorsement, financial assistance or other support or assistance by a party officer or official to a candidate running in opposition to an endorsed DFL candidate shall constitute malfeasance and shall be the cause for removal from office.” Some of you may be considering what to do because you support an unendorsed candidate who is entering the primary on August 14.

I expect all of our Party leaders to support our endorsed candidates and the process and people who made the endorsement, however, if you support an unendorsed candidate, you cannot continue in your official Party role. While resigning is certainly an option, I would prefer that you take a temporary leave of absence from your position, as long as your unit is supportive, which would allow others to fill your role through the primary.

We have hundreds of excellent party leaders at all levels and it is important for the DFL to keep a firm foundation as we enter this extremely important election season. For this reason, I urge you to confer with your organization and offer to step back temporarily, we cannot let divisions in this Party become permanent as we head into this critical election season. Our unity is important now, and after the Primary.

Please contact Vicki Wright or Hannah Quinn in our Training and Party Affairs Department if you have any questions, concerns, or suggestions.

All my best –

Ken Martin
Chairman
Minnesota Democratic-Farmer-Labor Party
